FROM THE DIRECTOR

- RUSSELL HAFFNER -

I am pleased to report the students are very busy learning more concerning God and His holy word. Seekers of truth from all over the world are gaining a better understanding of the Bible as they view each video lesson in the school. A student from Zambia wrote to say –

"First of all I would love to thank you for the opportunity given to me to study at the WVBS Online Bible School. I am really thankful to God and to you for the service to the body of Christ and we will be the fruits that you bear. I learnt a lot during the course and the way the lessons were structured is excellent. The study has helped me resolve many confusions. For instance the sons of God in Genesis 6. These "sons" have been misinterpreted by many religious people as "angels," when in fact these are the descendants of Seth. The giants also has been wrongly interpreted. Thank you so much WVBS and the instructors for instructing us in the truth and freeing us from ignorance. I look forward to complete all the other courses."

This student and other students are gaining a better understanding of the Bible's teaching through these online video lessons. It is impossible to adequately express the depth of our appreciation for those who help us in this effort. **Please consider helping the school with monthly support or even a one-time gift.** Great things are happening in His kingdom because of those who are willing to help. To God be the glory

STUDENT COMMENTS

"I have learned so much from following the lessons, even though I have been a serious Bible student almost my whole 67 years of life. What I especially appreciate is how the teachers only speak where the Bible speaks, and are silent where the Bible is silent. They never go beyond what has been written (1 Corinthians 4:6) and never add to or take away from what the Bible says (Revelation 22:18-19). To God be the Glory."

- South Africa

"I thank God for your school, your professors, and supporters. I have learned tons of information."

- Philippines

"Thank you sir. I have received the graded papers and I appreciate it so much. This program is awesome! It is enriching every area of my life. I will never regret why I am part of the WVBS Online Bible School. I would not hesitate to recommend the school to other like minded students if you won't mind. Blessings."

- Kenya
