FROM THE DIRECTOR

- RUSSELL HAFFNER -

We are blessed by God each day with the opportunity to reach those who are seeking to better understand the truth of the Scriptures. The internet allows us to more easily go into all the world and find those who really want to learn God's word. The school is an amazing Bible study resource which prepares them not only to live the Christian life but also to teach others the good news concerning the salvation provided by Jesus Christ. A student from Nigeria recently wrote to say –

"Good day and God bless you. I wish to thank the entire school staff who has made this learning forum possible for everyone regardless of where they live to have an in-depth understanding of the Bible. Once again thank you. This study made available by your management will go a long way to improving my knowledge and teaching of the Good News. I look forward to each class."

The "Good News" is being proclaimed by this student and other students who continue to benefit from the school's teaching. It is impossible to adequately express the depth of our appreciation for those who help us in this effort. **Please consider helping the school with monthly support or even a one-time gift.** Great things are happening in His kingdom because of those who are willing to help. To God be the glory!
